

Policy Statement of The Ancient Ways Inc.

(draft proposal)

The Ancient Ways Inc. will foster a community spirit and build the foundations of a knowledge base for future members of the Organisation.

We seek personal growth and Enlightenment through community building and sharing and to gather a body of knowledge and pave The Ancient Ways, for ALL the children/ members to come.

We will provide support, advice, and pastoral care for Pagans in the community especially families and to set up a network of support services targeting families in crisis.

We will give back to the community through the charity arm that fundraises and takes collections of non perishable foodstuffs, household items and clothing, Social welfare work through qualified workers, and a residential care program for children with disabilities and/ or social disadvantage.

We will work towards spiritual growth both individually and communally by sharing and discussing ideas and beliefs. The Ancient Ways will be an inclusive community that embraces all paths and accepts all beliefs.

We will endeavour to be more environmentally conscious, to respond to the environmental challenges in all areas with special focus on the needs of the local community, develop strategies in cooperation with other organisations enhancing the wellbeing and flourishing of all life and performing a service to the Earth by learning to live more sustainably on the Earth.

The Ancient Ways Inc. will focus on the Education, Health, Welfare and Spiritual Growth of the Children and the welfare of the Family Unit. We will therefore endeavour to protect the rights of Children and the Family Unit.
